DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on March 29, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to the rejections set forth within paragraphs 2, 9, and 10 of the Office action of June 9, 2003, applicants have argued that independent claim 46 has been amended to recite that the composition comprises 20-80% of a terminally acrylated oligomer comprising a poly(propylene glycol) containing polyol soft block having a number average molecular weight of more than about 4000 Daltons and 20-80% of a propylene oxide containing monofunctional acrylate monomer. However, the claim has not been amended in accordance with applicants' arguments; therefore, applicants have failed to provide complete responses to the rejections of this independent claim. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
